ANNOUNCEMENTS

Professional Development Day – Save the Date

Tuesday, August 16 – All Day

Please mark your calendars for [Tuesday, August 16](#) when we will once again host the FHSU Professional Development Day. The day will include a keynote speaker, over 40 concurrent sessions, a closing panel discussion and door prizes. But the day does not end there – we will have the annual faculty vs staff softball game along with a dinner worthy of being at the ball field. We hope you will join us for all the activities, and take advantage of the professional development opportunities that will be available.

Sessions are now being finalized and a message will be sent with more information and instructions on how to register as soon as it is available. If you are interested in playing softball, please contact Graham Glynn (faculty) or Joy Hatch (staff).

In the meantime, the date will be here before you know it – so **MARK YOUR CALENDAR TODAY.**

- For questions or to suggest a session, please contact Deana Zerr.

SUMMER Course Evaluations will begin JULY 5th.

Keeping with the University Calendar, we will be collecting data for the 8 week courses. If you are offering a non-traditional course (i.e. 3 day, 1 week) please be aware that they may not be evaluated.

I know the feedback you receive is important to you and it would be wonderful to increase the student response rate. So, please take a moment to send a personal email, post a Bb announcement, or make a class announcement on the importance of completing the Course Evaluation. I've included a suggested announcement that you can adapt for your use.

Suggested email or Bb announcement format on Course Evaluation:

Soon you will be asked to provide feedback about your experience in (name of course).

I value receiving your honest input.

Your feedback is anonymous, and identifying information is not associated with your responses.

The Course Evaluations will be available on-line July 5th. These take only ten to fifteen minutes to complete. You will have until July 17th to complete them. Your opinion matters!

We have made it as convenient as possible. Here's all you need to do:

1) Go to: <http://tinyurl.com/FHSUTigertracks>

2) Log in to Tiger Tracks

3) Click the Online Services tab at the top

4) Under Academics click End of Semester Evaluations

5) Fill out the forms with your candid, honest responses

There is a window of opportunity to provide us with feedback, so don't put it off!

Thank you for taking the time and helping us improve your educational experience.
